

APPLICATION FORM

STIBET Doctorate Funding of the DAAD

to apply for support measures from funds of the DAAD's STIBET doctorate promotion programme

Funding can be provided for *on-site working partners* for international doctoral students as well as *teaching or research assistants* within the framework of the DAAD project "STIBET Doctoral Funding" for a period of three months per year on the basis of part-time employment. University teachers of Freie Universität Berlin supervising international doctoral students are eligible to apply for the programme.
