

AiS-FU Information Session

## Marie Skłodowska-Curie Postdoctoral Fellowships

Online session 05 October 2023, 10:00-12:30 CET

Are you interested in learning more about the Marie Skłodowska-Curie Postdoctoral Fellowships (MSCA PF), a flagship funding scheme of the European Commission? Do you wish to understand the application structure, procedure, and review process? If so, we warmly invite you to an information session on the MSCA PF, organized in collaboration with the Research Funding and Information team at Freie Universität Berlin. The aim of this session is to provide a short overview of the EU's Framework Program for Research and Innovation, Horizon Europe, with a specific focus on MSCA Postdoctoral Fellowships. The speaker, Dr. Victoria Abakumovski, a research manager at Freie Universität Berlin, will pay particular attention to the proposal structure and its nuances, the evaluation process, and will also share general advice on successful proposal writing.

**When?** 05 October 2023, from 10:00 to 12:30 CET.

**Where?** Online, via **Webex**, a link will be provided some days before the event.

### Your Trainer

Victoria Abakumovski has years of experience in consulting in the area of research funding at Freie Universität Berlin.

### How to Register

**To register**, please send to AiS a note indicating your interest in attending, you may also state specific key interests in advance to let your trainers know what you are keen on learning. Your interest to participate should be sent to [ais@fu-berlin.de](mailto:ais@fu-berlin.de) with the subject line: Registration – Info-Session "MSCA PF" by **15 September 2023**.
