Physical & Mathematical Sciences and Engineering Programs

- **Actuaría** (Actuary Science)
- **Arquitectura** (Architecture)
- **Arquitectura de Paisaje** (Landscape Architecture)
- **Ciencia de Datos** (Data Science)
- **Ciencia de Materiales Sustentables** (Sustainable Materials Science)
- **Ciencias de la Computación** (Computing Science)
- **Ciencias de la Tierra** (Earth Science)
- **Diseño Industrial** (Industrial Design)
- **Física** (Physics)
- **Física Biomédica** (Biomedical Physics)
- **Geociencias** (Geoscience)
- **Ingeniería Ambiental** (Aerospace Engineering)
- **Ingeniería Civil** (Environmental Engineering)
- **Ingeniería Computación** (Civil Engineering)
- **Ingeniería Eléctrica Electrónica** (Computer Engineering)
- **Ingeniería Energías Renovables** (Elecronics and Electrical Engineering)
- **Ingeniería Geofísica** (Geophysical Engineering)
- **Ingeniería Geológica** (Geological Engineering)
- **Ingeniería Geomática** (Geomatics Engineering)

Physical & Mathematical Sciences and Engineering Programs

- **Ingeniería Industrial** (Industrial Engineering)
- **Ingeniería Mecánica** (Mechanical Engineering)
- **Ingeniería Mecánica Eléctrica** (Mechanincal and Electric Engineering)
- **Ingeniería Mecatrónica** (Mechatronics Engineering)
- **Ingeniería Minas y Metalurgia** (Mining Engineering and Metallurgy)
- **Ingeniería Petrolera** (Petroleum Engineering)
- **Ingeniería Química** (Chemical Engineering)
- **Ingeniería Química Metalúrgica** (Metallurgical Chemical Engineering)
- **Ingeniería Sistemas Biomédicos** (Biomedical Systems Engineering)
- **Ingeniería Telecomunicaciones** (Telecommunication Engineering)
- **Ingeniería Telecomunicaciones, Sistemas y Electrónica**
  (Telecommunication Engineering, Systems and Electronics)
- **Matemáticas** (Mathematics)
- **Matemáticas Aplicadas** (Applied Mathematics)
- **Matemáticas Aplicadas y Computación** (Applied Mathematics and Computer Science)
- **Nanotecnología** (Nanotechnology)
- **Órtesis y Prótesis** (Orthosis and Prosthesis)
- **Tecnología** (Technology)
- **Tecnologías para la Información en Ciencias** (Information Technologies applied in Science)
- **Urbanismo** (Urban Planning)

Biological and Health Sciences Programs

- **Biología** (Biology)
- **Bioquímica Diagnóstica** (Diagnostic Biochemistry)
- **Ciencia Forense** (Forensic Science)
- **Ciencias Agroforestales** (Agroforestry Sciences)
- **Ciencias Agrogenómicas** (Agrigenomics Sciences)
- **Ciencias Ambientales** (Environmental Sciences)
- **Ciencias Genómicas** (Genomic Sciences)
- **Cirujano Dentista** (Dental Surgery)
- **Ecología** (Ecology)
- **Enfermería** (Nursing)
- **Enfermería y Obstetricia** (Nursing and Obstetrics)
- **Farmacia** (Pharmacy)
- **Fisioterapia** (Physiotherapy)
- **Ingeniería Agrícola** (Agricultural Engineering)
- **Ingeniería en Alimentos** (Food Engineering)

Biological and Health Sciences Programs

- **Investigación Biomédica Básica** (Basic Biomedical Research)
- **Manejo Sustentable de Zonas Costeras** (Sustainable Management of Coastal Zones)
- **Médico Cirujano** (Medical Surgeon)
- **Medicina Veterinaria y Zootecnia** (Veterinary Medicine and Zootechnics)
- **Neurociencias** (Neurosciences)
- **Nutriología** (Nutrilogy)
- **Odontología** (Odontology)
- **Optometría** (Optometry)
- **Psicología** (Psychology)
- **Química** (Chemistry)
- **Química de Alimentos** (Food Chemistry)
- **Química e Ingeniería en Materiales** (Chemical Engineering and Material Science)
- **Química Farmacéutico Biológica** (Chemical Pharmaceutical Biologist)
- **Química Industrial** (Industrial Chemistry)

Social Science Programs

- **Administración** (Management)
- **Administración Agropecuaria** (Farming Management)
- **Antropología** (Anthropology)
- **Ciencias de la Comunicación (**Communication Sciences)
- **Ciencias Políticas y Administración Pública** (Political Science and Public Administration)
- **Comunicación** (Communications)
- **Comunicación y Periodismo (**Communication adn Journalism)
- **Contaduría** (Accounting)
- **Derecho** (Law)
- **Desarrollo Comunitario para el Envejecimiento** (Community Development for Older Adults)
- **Desarrollo Territorial** (Territorial Development)
- **Economía** (Economics)
- **Economía Industrial** (Industrial Economics)
- **Estudios Sociales y Gestión Local** (Social Studies and Local Management)
- **Geografía** (Geography)
- **Geografía Aplicada** (Applied Geography)
- **Informática** (Computer Science)
- **Negocios Internacionales** (International Business)
- **Planificación para el Desarrollo Agropecuario** (Farming Development Planning)
- **Relaciones Internacionales** (International Relations)
- **Sociología** (Sociology)
- **Trabajo Social** (Social Work)

Humanities and Arts Programs

- **Administración de Archivos y Gestión Documental** (Archive and Document Managment)
- **Arte y Diseño** (Art and Design)
- **Artes Visuales (**Visual Arts)
- **Bibliotecología y Estudios de la Información** (Library Science)
- **Cinematografía** (Film making)
- **Desarrollo y Gestión Interculturales** (Intercultural Development and Management)
- **Diseño Gráfico** (Grpahic Design)
- **Diseño y Comunicación Visual** (Graphic and Visual Commmunication)
- **Enseñanza de Alemán como Lengua Extranjera** (German Teaching as a Foreign Language)
- **Enseñanza de Español como Lengua Extranjera** (Spanish Teaching as a Foreign Language)
- **Enseñanza de Francés como Lengua Extranjera** (French Teaching as a Foreign Language)
- **Enseñanza de Inglés como Lengua Extranjera** (English Teaching as a Foreign Language)
- **Enseñanza de Italiano como Lengua Extranjera** (Italian Teaching as a Foreign Language)
- **Enseñanza de Inglés** (English Teaching)
- **Estudios Latinoamericanos** (Latin American Studies)
- **Etnomusicología** (Ethmpmusicology)
- **Filosofía** (Philosophy)
- **Geohistoria** (Geohistory)
- **Historia** (History)
- **Historia del Arte** (Art History)

Humanities and Arts Programs

- **Lengua y Literaturas Hispánicas** (Hispanic Language and Literature)
- **Lengua y Literaturas Modernas Alemanas** (German Language and Modern Literature)
- **Lengua y Literaturas Modernas Francesas** (French Language and Modern Literature)
- **Lengua y Literaturas Modernas Inglesas** (British Language and Modern Literature)
- **Lengua y Literaturas Modernas Italianas** (Italian Language and Modern Literature)
- **Lengua y Literaturas Modernas Portuguesas** (Portuguese Language and Modern Literature)
- **Letras Clásicas** (Classical Literature)
- **Lingüística Aplicada** (Applied Linguistics)
- **Literatura Dramática y Teatro** (Dramatic Literature and Theater)
- **Literatura Intercultural** (Intercultural Literature)
- **Música – Canto** (Music – Singing)
- **Música – Composición** (Music – Composition)
- **Música - Educación Musical** (Music – Music Education)
- **Música – Instrumentista** (Music- Instrumentalist)
- **Música – Piano** (Music – Piano)
- **Música y Tecnología Artística** (Music – Arts Technology)
- **Pedagogía** (Pedagogy)
- **Teatro y Actuación** (Theatre and Acting)
- **Traducción** (Translation)

41 Graduate Programs

- **Antropología** (Architecture)
- **Arquitectura** (Architecture)
- **Artes y Diseño** (Arts and Design)
- **Astrofísica** (Astrophysics)
- **Bibliotecología y Estudios de la Información** (Library Science and Information Studies)
- **Ciencia e Ingeniería de la Computación** (Computing Science and Engineering)
- **Ciencia e Ingeniería de Materiales** (Material Science and Engineering)
- **Ciencias Biológicas** (Biological Sciences)
- **Ciencias Biomédicas** (Biomedical Sciences)
- **Ciencias Bioquímicas** (Biochemistry Sciences)
- **Ciencias de la Administración** (Management Sciences)
- **Ciencias de la Producción y de la Salud Animal** (Sciences in Production and Animal Health)
- **Ciencias de la Sostenibilidad** (Sustaibability Science)
- **Ciencias de la Tierra** (Earth Sciences)
- **Ciencias del Mar y Limnología** (Marine Sciences and Limnology)
- **Ciencias Físicas** (Physics Sciences)

41 Graduate Programs

- **Ciencias Matemáticas y de la Especialización en Estadística Aplicada** (Mathematical Sciences and Applied Statistics Specialization)
- **Ciencias Médicas, Odontológicas y de la Salud** (Mediicnal, Odontological and Health Sciences)
- **Ciencias (Neurobiología)** (Sciences- Neurobiology)
- **Ciencias Políticas y Sociales** (Political and Social Sciences)
- **Ciencias Químicas** (Chemical Sciences)
- **Derecho** (Law)
- **Diseño Industrial** (Industrial Design)
- **Docencia para la Educación Media Superior** (Teaching for Middle and High School Education)
- **Economía** (Economics)
- **Enfermería** (Nursing)
- **Estudios Latinoamericanos** (Latin American Studies)
- **Estudios Mesoamericanos** (Mesoamerican Studies)
- **Filosofía (**Philosophy)

41 Graduate Programs

- **Filosofía de la Ciencia** (Philosophy of Science)
- **Geografía (**Geopgraphy)
- **Historia** (History)
- **Historia del Arte** (Art History)
- **Ingeniería** (Engineering)
- **Letras** (Literature)
- **Lingüística** (Linguistics)
- **Música** (Music)
- **Pedagogía** (Pedagogy)
- **Psicología** (Psychology)
- **Urbanismo** (Urbanism)
- **Trabajo Social** (Social Work)

Steps

Semester mobility at UNAM
Undergraduate Level

1 The **Call for Applications** is published twice a year, at the Office for International Cooperation (DGECI in spanish) website and also the information is sent by e-mail to the International Office of the Universities If your university has a Collaboration Agreement with UNAM, you don´t need to pay the college tuition. Nevertheless you can come as a "Visiting student" paying the fee

unaminternacional.unam.mx

[F] [O] [Y] **DGECI-UNAM**

2 Identify the admission **requirements**

3 Identify the subjects you want to take at UNAM

oferta.unam/ escuelas-facultades.html

4 Contact the international office of your university and follow our **Pre-registration** process as indicated in the **Guide** published together with the Call for Application

5 You will receive an **e-mail** notification to continue with your application on line

All steps are carried out through the incoming student mobility platform; both the universities,DGECI and UNAM´s Schools have user accounts to access the system: http://www.sicai.unam.mx/extranjeros_incoming/
The guides are sent to users and are accessible on our website: www.unaminternacional.unam.mx/es/ex/estudiante/extranjero/semestral
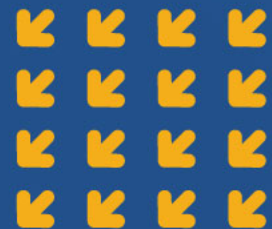

Steps

Semester mobility at UNAM

Undergraduate Level

6 The international office of your university **validates** your application and uploads the **institutional nomination letter** which is received at **DGECI / UNAM**

7 At **DGECI**, the applications are reviewed and are nominated to the desired School Admission Committee for an **evaluation**

8 The School Admission Committee will send the **acceptance** or rejection **letter**. This opinion is received at DGECI and is notified by e-mail, to you and your university

All steps are carried out through the incoming student mobility platform; both the universities, DGECI and UNAM´s Schools have user accounts to access the system: http://www.sicai.unam.mx/extranjeros_incoming/
The guides are sent to users and are accessible on our website: www.unaminternacional.unam.mx/es/ex/estudiante/extranjero/semestral

# Semester mobility at UNAM

Undergraduate Level

Admission and migratory requirements

Minimal **average** of 8.0/10 (GPA)

44% academic fullfilment in undergraduate studies

Check the additional requirements, specified by some Schools

unaminternacional.unam.mx es/ex/estudiante/extranjero/requisitos-especiales

Advanced Spanish certificate (**B2 Level** - Common European Framework of Reference for Languages)

General information

Students accepted for undergraduate mobility can take Spanish and Mexican Culture courses in parallel, at the Teaching Center for Spanish Language and Mexican Culture (CEPE) Students are sent the data to obtain the accommodation options approved by CEPE

Semester mobility at UNAM

Undergraduate Level

Admission and migratory requirements

It is important that you review the conditions and requirements that you must meet for your entry to Mexico, depending on your nationality and length of stay in the country.

Valid Passport

Visa, only for countries with which Mexico has not signed a visa exemption agreement

**UNAM acceptance letter**

Financial solvency

Period of stay

- 180 days

Multiple Immigration Form (FMM). The airline gives it. Check the box of "Visitor Unpaid Activity"

+ 180 days

A Temporary Resident Student Visa is required. The Mexican Embassy or Consulate of the country where you live, grants it to you. Once in Mexico, you have got 30 days to "exchange" you visa for an official "Tarjeta de Residente Temporal Estudiante"

More information for immigration procedures: gob.mx/sre/acciones-y-programas/visa-de-residente-temporal-estudiante
