Students Activities

Student Language Buddies

We select language partners from PKU for international students to help them with Chinese language study and life at PKU.

Experience

Language students who dive into the offerings on and off campus will fly home not just with better language skills, but with new friendships and a better understanding of life in China today.

——Lukas Murmann (Massachusetts Institute of Technology)

PKU and Beijing is a really fascinating setting, where interesting conversations are had and there are always new things to do.

——Sondre Ulvund Solstad (Princeton University)

The program gave me a taste of what it is like to study at PKU, which has led to my decision to return and continue my studies there during the New Year.

——Oscar Thompson (University of Western Australia)
