Initiative for Sustainability + Climate Protection
Freie Universität Berlin

OUR STORY

- SUSTAIN IT! was founded in 2010
- Volunteer joint initiative of students from different disciplines, researchers from the Environmental Policy Research Centre (FFU) and administrative staff from the Sustainability and Energy Management Unit.

OUR MISSION

As think and do tank...

- make our university into a place where sustainability can be experienced first hand
- develop pilots of innovative teaching and learning formats following the ESD approach
- promote networking between disciplines, university actors and stakeholders in civil society
- promote the inter and transdisciplinary dicourse with hands-on activities and trainings
