

# Global Strategy and Partnerships Funding Scheme – Dissemination brief

## Background information

The UZH Global Strategy and Partnership Funding Scheme supports UZH faculties, departments, and professional service units in pursuing activities that strengthen the visibility and impact of our global network. This funding opportunity consists of three funding lines. The first two funding lines listed are open from June 3 – August 16, 2024:

- A **Seed Fund** with funding of up to **CHF 5,000** per project,
- and a **Project Fund** with funding of up to **CHF 60,000** per project (excl. required internal matching funds and co-funding by the partner institution).
- A **Travel Grant** with funding of up to **CHF 1,200** is open year-round, as long as funds last.

**Eligibility:** UZH academics and professional services staff, together with their counterparts at over 35 eligible universities around the world:

- The main applicant comes from the University of Zurich
- At least one partner applicant from at least one of the partner universities
- Applications are handed in to the University of Zurich by the main applicant

Projects should clearly demonstrate a visibility and/or outreach component.
