| 5 PM | Prof. Leslie Tramontini, Phillips-Marburg Universität "The Importance of being trans- and inter- : The Marburg Center for Near and Middle Eastern Studies as Model for a German Area Studies center" | | | |

Discover Exhibitions on Science, Research and Innovation:

German Aerospace Center DLR - "Look into the Solar System and Back"

German Energy Agency DENA - "Renewables Made in Germany"

DWZ Cairo - "Reclaiming the City - Sketching up Graffiti"

All-day Consultation Opportunities on Topics like:

Study and Research in Germany (DAAD), Info Booth

Cooperation Opportunities with Fraunhofer, Fraunhofer Info Booth & Office

Programmers of the Alexander von Humboldt Foundation, AvH Office

Research Activities of the Orient Institut Beirut, OIB Office

German Schools and German Programs in Egypt (ZfA), ZfA Office

Study and Research Consultants from:

FU Berlin, TU München, Phillips-Universität Marburg, TU Berlin Campus El Gouna

Clever Climate Children Corner:

Welcome Packages, Recycling Quiz, Circle Time Games, Screening

Science Café:

All day: DWZ Cairo Exhibition - "Reclaiming the City - Sketching up Graffiti"

General Information:

No Registration required.

Doors open from 10:30.

The Programme may be Subject to Change. Please check our Website and Facebook Page to stay up to date.

Please sign up for the Seminars you are interested in. Seats are limited.
