

Mercedes-Benz
U.S. International, Inc.

International Internship in Vance, Alabama, USA

ARE YOU INTERESTED IN AN INTERNSHIP ABROAD?

An international Internship at Mercedes-Benz U.S. International gives you the opportunity to learn from specialists and gain insight into a working area that fits your field of study. Through an international internship, you will gain real world working experience in a manufacturing environment while also discovering a whole new culture.

We offer 6-month internships in the following fields:

- Supply Chain Management
- Engineering/Production Planning
- Operations
- Finance
- Quality
- Human Resources
- Purchasing/ Procurement (IPS)
- Supplier Quality
- Battery Plant

Benefits:

- \$500 Sign-on bonus
- Paid internship – hourly rate \$18
- Coverage of Visa Costs
- \$700 housing stipend

Requirements:

- Currently enrolled in University or in a gap year between Bachelor's and Master's degree
- Studies outside of the U.S.A.
- A minimum of 3 semesters of studies in relevant field of study
- Available for a minimum of 6 months
- Fluent in English (oral/written)

Please visit [Mercedes-Benz U.S. International Careers](#) for more information and to apply online! We will post the positions starting end of September for a start date in February/March. Put "Vance" In the location filter and see all our open positions here at MBUSI. We are looking forward to your application and potentially welcoming you in Alabama.

If you have any questions, please send us a mail at 138_intern-at-mbusi@mercedes-benz.com
